

## Course structure

The study plan for a BSc course in Business Management in Global Environment is presented in the enclosed table. Subjects are described by: a name of the individual subject, type of classes (L – lectures, C – theoretical classes, P – project, Lb – laboratory), a number of hours per semester (each lasting 15 weeks) and a number of ECTS credits. Highlighted subject rows signify the examination during each examination session. In order to be granted the professional title of a Bachelor of Science it is necessary to complete the study programme, prepare and defend a BSc thesis. During the defence of the bachelor's thesis a final oral examination is carried out.
